

# Module E: AI Applications – Individual Open Project

## Overview

**Credits:** 2

**Duration:** 1 Month

**Mode:** Fully Virtual

**Type:** Individual Open Project

---

## Submission Scope:

One demo or screen recording and a concise 2-page report.

- **Demo / Recording:** Live demo in class **or** a screen recording (3–7 min, ≥720p, clear audio). Show: title, problem, approach/architecture, core features, **one edge case**, results. Share as MP4 link (unlisted YouTube/Drive with view access).
- **Report (2 pages):** In your **own words**, using these headings: **Problem Statement; Methodology; Tools & Technologies; Results & Conclusion.**

**Please Note:** The report must be written by you; generative AI (e.g., ChatGPT) may not write or paraphrase the report.

---
